## Certificate of Admission (COA)

A Certificate of Admission (COA) is an official document issued by an educational institution to confirm that a student has been accepted into a particular program.

An official letter issued by the international office of a South Korean university.

It is mandatory for the student visa (D-2) application and proves eligibility to study in Korea.

The student needs to apply for student visa (D-2 Visa) at the Korean Embassy

# How to Apply for COA

Submit the following documents to university-

Application Form

Passport copy (Clear copy of the personal information page)

Proof of Payment (Tuition deposit or Application fee payment Receipt)

Hard copy apostille Academic Records (Transcripts and diplomas from previous schools)

Language Proficiency (Korean or English language test scores (e.g., TOPIK, TOEFL, IELTS), if required)

Passport-sized Photos (Recent photos according to university specs)

Financial documents (bank statements, ITRs, etc)

Other Supporting Documents - May include recommendation letters, SOP, financial proof, or visa application forms, depending on the university.

# Visa Process

Once the student receives a Certificate of Admission (COA) from the international office of a South Korean university. It confirms that a student has been accepted into a degree program and is required for applying for a D-2 student visa. The university will contact the student and proceed for visa appointment accordingly.

## Documents required –

Visa Application Form: Downloadable from the Korean embassy or consulate website.

Passport, and one copy of the passport ID page (the page with your photo)

Passport-sized photo (3.5cm×4.5cm with white background; must be taken within the past 6 months)

Certificate of Admission (issued by the International Education Team at Korea University)

Visa fee – USD 60 - 80

ID card (personal ID in residing country)

Certificate of KU Business Registration (Will be given by KU with Certificate of Admission)

Invitation Letter from NIIED (National Institute for International Education of Korea) (if applicable)

**Financial Proof:** The show fund requirement is 20,000 USD, which covers tuition fees +living expenses. If full tuition fees is paid then the show fund requirement is 10,000USD which covers living expenses. The funds should be at least three months old. Educational Loan from Nationalized and Multinational banks, Saving and FD are accepted by some universities.

Health Certificate: Including tuberculosis test results.

Note - Financial documents and Academic documents are need to be Apostille(certifies the authenticity).

# Visa Jurisdiction & Processing time

## Visa Jurisdiction -

North & Central India-New Delhi,

East India- Kolkata,

South India- Chennai, Bengaluru

## Processing Time -

Approximately takes 10-15 working days.  
The current average processing time is between four to six weeks, depending on the level of verification and assessment required.

# Part time jobs with wages and PSW

## Work Rights for International Students –

Students must apply for work permission through the Korean Immigration Service or their university's international office.

Students can work at stores, cafes, on-campus positions, retail, tutoring, and freelance translation—all typically paying between ₩9,860/hr to ₩40,000/hr.

Monthly earnings usually range from ₩800K–₩1.2M (~USD \$600–1,000, INR 51826.50 - 86377.49)

With permission, international students are generally allowed to work –

- 20 hours per week during academic term.

- 40 hours/week during school vacations.

- Average Living cost- It will vary from **INR 60000- INR 100,000** +depending on the lifestyle & housing.

# Part time jobs with wages and PSW

## Post Study Work Visa –

The D-10 visa allows international students who have completed their studies in South Korea to stay and search for work or start a business. This visa provides an opportunity to transition from student status to full-time employment in South Korea.

Eligibility for the D-10 Visa – The student must have completed a degree from a South Korean University.

## Application Process –

- Complete the Application Form: Available at Korean immigration offices or online.
- **Required Documents:** Degree certificate or transcripts., Valid passport, Proof of funds, Job search plan or business plan (if applicable).
- **Submit Documents:** Submit your application to the Korean Immigration Office.
- **Wait for Approval:** Visa process typically takes 1-2 weeks.

**Visa Application Window: Must apply within 6 months after graduation.**

**Korean Language:** Proficiency in the Korean language (TOPIK level 4 or higher) is not mandatory but recommended.

**Proof of Funds:** Must demonstrate sufficient funds to support your job search or entrepreneurial activity.

**Duration and Extension** – The duration of the Initial Visa is granted for 6 months, can be extended for up to 3 year depending on progress on the job search.

**Note** - If the student secures employment, the student can switch to a long-term work visa (E-5 or other work visas).
